Rap It, Clap It, Music Match It

Thanks for purchasing this Rap It, Clap It, Music Match It kit. I use these activities primarily for Kindergarten and 1st Graders but they can be adapted to use with other learners.

Included is a sheet of directions that you can use in a center or workstation. You can also project it for your class if you decide to use this as a group activity.

After printing the kit, cut out the syllable pile guides. They are a half sheet in size and indicate 1, 2 or 3 syllables. Cut out the picture cards. I recommend laminating your pieces for maximum durability.

Two different worksheets record the answers. Answers down.
